

Declaration of consent for data processing

Purpose and information

For efficient and orderly administration and reporting of the European master programme in “High Performance Computing (HPC)”, it is necessary for Friedrich-Alexander-Universität Erlangen-Nürnberg, the data controller, to process your personal data. This means that we store (personal) data provided voluntarily by you for the duration of your studies. Your personal data will also be used for reporting to the European programme EUMaster4HPC and the universities being part of the consortium that hosts the cooperative master programme in HPC – but not to third countries outside the European Union.

Scope:

The following personal data/categories of data are collected for administration and reporting:

- name, date and place of birth,
- academic degrees, marks and academic achievements
- study progress, reports and theses

Rights of the data subject

You have the right to be informed by the data controller of the personal data affected as well as the right to rectify, erase, or restrict the processing of personal data concerning you and a right to object to processing in addition to a right to data portability and a right to lodge a complaint with a supervisory authority.

Please address any questions about data protection to: datenschutzbeauftragter@fau.de

Declaration of consent:

I hereby give my consent for the processing of my personal data for the purposes of administration and reporting with regard to the EUMaster4HPC to the extent stated above. I can withdraw my consent for the future use of my data at any time by submitting a request to Alexandra Lukas-Rother (Alexandra.lukas.rother@fau.de) in writing or electronically.
